

DESCRIPTION

Lubemaster Gasoline treatment provides cleaner carburetors, fuel injectors and fuel systems, quicker starting, improved mileage, smoother idling, cleaner valves and improved compression. It also helps to prevent carburetor and fuel line icing, combustion deposits, sticky valves, engine run-on, fuel line rust and corrosion, build up of engine dirt, gum and varnish.

BENEFITS

- Increase gas mileage
- Reduces air pollution
- It wont harm catalytic converter of oxygen sensors
- Prevents fuel line icing
- Removes build up of engine dirt, gum and varnish
- Provides smoother idling
- Cleans carburetors, fuel injectors and fuel systems

HOW TO USE

For maximum benefit, add one bottle of Lubemaster Gasoline treatment to each tank full of gasoline-no less than one bottle to each 16 gallons of gasoline. If spilled on paint wash off immediately.

PROPERTIES

S.No	Properties	Units	Specification
1	Specific gravity @ 68 ° F	-	0.75 - 0.80
2	Flash Point	° F ° C	125 51.7
3	Boiling Point	° F	Not determined
4	Water Solubility	-	Nil

PACKING INFORMATION

Packing - Plastic Can /355 ml / 24nos / Secondary box

Storage - Store in Room Temperature. Keep away from Direct UV
